

# 2016 Wisconsin Biohealth Summit

Overture Center, Madison, WI

September 27th

**HARNESSING THE CONVERGENCE OF  
BIOHEALTH INNOVATORS TO TRANSFORM  
THE FUTURE OF HEALTHCARE**

## THE POWER OF CONVERGENCE

BioForward's Biohealth Summit provides a platform for Wisconsin to shine and boost our reputation as a world leader in integrated health solutions from bioscience and therapeutics to device/diagnostics and digital health. This Summit is about discovering the convergence of our many, diverse sectors of science, technology, and healthcare.
