WOMEN IN BIOHEALTH | MADISON

## About WIB

Women in Biohealth (WIB) is an organization developed to support and create a network for professional women in biohealth in the Madison, Wisconsin area. Biohealth ranges from digital health, biotech, biopharma, medical device, health research, and much more. WIB provides a platform to empower and connect Madison's professional women.

## Our Mission

Our mission is to provide a space for women in biohealth to connect and uplift each other. Women in Biohealth is committed to providing opportunities for professional and leadership development, career mentoring, and networking for professionals in the biohealth field in Madison.

## Get Involved!

To learn more about WIB, feel free to contact a member of our team or join our Women in Biohealth group on LinkedIn. WIB will be hosting their kick-off networking event this fall. As a network, WIB will provide mentoring, volunteering, professional development, and an environment for women in biohealth to connect. No membership required - just enjoy and relax as you meet with other Women in Biohealth from the Madison area!

## Partner With WIB!

**We are currently looking for Madison partner companies to support Women in Biohealth by sending internal communications to employees, encouraging involvement, and providing feedback on future programming for WIB events.**

## Connect With Us

**Join the Women in Biohealth - Madison, WI group on LinkedIn for updates on our kick-off event!**
