EDUCATIONAL SERIES

TALENTA.C.T.

A 3-part Series on Talent
for Technology Executives
& Entrepreneurs

Sponsored by
The QTI Group and
University Research Park

A: Attracting & Retaining Talent - 3 Tips to Stand Out in 2018

With a strong economy and tight labor market, talent attraction and retention are real concerns. Attend this seminar to learn three tips to make your organization stand out to talent in 2018. (April 11)

C: Company Culture in the Age of #MeToo

Harassment in the workplace is almost daily breaking news. Attend QTI's seminar on Company Culture in the Era of #MeToo and learn the best practices for spotting and confronting harassment. (May 9)

T: Team-Building - When to Hire and How to Grow Your Team

Attend this seminar to learn from QTI Recruitment and HR experts about when to hire and key strategies to ensure you have the right talent with the right skills to match your company culture. (July 11)
