

Meet & Greet with Waters Local Team!

Donuts and Chromatography

Wed, August 9th 2023, 9:30 – 11:00 am
MGE Innovation Building
510 Charmany Drive Rm. 50 (lower level)

Come meet the local Waters team!

Join us for donuts and treats and chat about any chromatography, mass spectrometry, sample prep, or lab automation topics.

Erica Manandhar, PhD
Sr. Chemistry Account Manager

Noah S. Iskandarani
Snr. Territory Account Manager

About Waters: From the everyday consumer to scientists in the laboratory, we all rely on accurate information to make critical decisions. Waters Corporation is the world's leading specialty measurement company focused on improving human health and well-being through the application of analytical technologies and scientific expertise. For over 60 years, Waters has continually pioneered chromatography, mass spectrometry, and thermal analysis innovations. Whether discovering new pharmaceuticals, assuring the safety of the world's food and water supplies, or ensuring the integrity of a chemical entity in production, we are constantly working with our thousands of customers to leave the world better than we found it.
