

# LUNCH & LEARN

# Securing Excellence

**October 25, 2023 | 11AM – 12PM**

University Research Park  
510 Charmany Drive, Madison, WI  
Room 50 (located downstairs)

**Our Speaker**

**Leanna Pearson**

Join us for a detailed discussion on the powerful synergy between Quality Risk Management (QRM) and Contamination Control Strategy (CCS). Discover how this interplay elevates your quality standards, ensuring unparalleled safety. Join us for an enlightening session that redefines industry excellence. This is a free event, catered by City Barbeque.
