

University Research Park Clean Up

Monday, April 22, 2024

In celebration of Earth Day, we invite you to join URP in a park-wide cleanup on Monday, April 22nd. A group will assemble at 12 pm in front of 505 S. Rosa Road. If your company is interested in scheduling a larger group outing, please contact the URP office. Remember, every day is Earth Day, so we are happy to provide bags and gloves to anyone throughout the month of April who is eager to help pick up trash.

An RSVP to info@urp.wisc.edu is not required but appreciated.
